

Press Release

Tucson, AZ, July 6th 2010, NP Photonics today announced four new distribution agreements in Asia. The new authorized distributors are ACME Microsystems Inc., Laser Science Services PVT Ltd., Tokyo instruments Inc. and ZUGO Photonics Pte. Ltd. Each distributor will be responsible for overseeing the distribution and servicing of NP Photonics Products in their assigned territories.

"In partnering with our new distributors we continue to execute on our strategy to penetrate the market in Asia." said Terry Hannon, Vice President of Marketing and Sales for NP Photonics.

"We will now be able to provide a broader sales and support network to grow our presence and increase business in Asia."
